

Family Water Fun (for SEND children)

Wednesdays 16:00- 16:45 & 17:00- 17:45

(Under 12 years old only)

The CYPD Hub is offering Family Water Fun sessions for our SEND children and families. This session is held on a local school, that offers a safe and adapted environment for children and young people with disabilities. The pool is equipped with sensory tools that will enhance your children's experience.

We can only offer this activity for children with a diagnosed disability, as the facilities are specially design for SEND. Unfortunately, siblings without disabilities cannot join.

There is a hydrotherapy pool, available for PMLD children only, but there are limited spaces available.

The activity will run for 8 fortnight sessions. For further information, please contact CYPD Hub: 0208 227 5500.

Hope to see you soon to splash around and have fun!!!!
