

## Are you a parent carer

with a child/young person with special educational, additional needs or disabilities aged 0-25 years?

- Do you live in Barking and Dagenham?
- Have you got time to spare and want to have a chance to have your input in SEND services?

If yes, why not be part of your borough's parent carer forum  
- a member of the National Network of Parent Carer Forums (NNPCF)

We have regular meetings to highlight and raise issues that need addressing in the borough

We work in strategic partnership with the local authority and other partner agencies to make recommendations on what is required to meet those needs and improve services for our children/young people's wellbeing
