

## Annual CIL Rate Summary 2025

### Charging Authority – London Borough of Barking and Dagenham

In accordance with Regulation 121C of the Community Infrastructure Levy (CIL) Regulations 2010 (as amended), the London Borough of Barking and Dagenham (LBBB), as a CIL charging authority, is required to issue an annual CIL rate summary. This annual CIL rate summary is effective from 1 January 2025 until 31 December 2025 and contains the rates for CIL liable development across the borough for the calendar year 2025.

The Community Infrastructure Levy (CIL) is subject to indexation which allows the rates to be adjusted to reflect inflation. The LBBB CIL first took effect on 3 April 2015. The Building Cost Information Service (BCIS) “All-in Tender Price Index” applicable for the year the charging schedule took effect is **255**. For planning permissions granted in the year 2025, the Royal Institute of chartered Surveyors (RICS) CIL index to be applied is **391**.

The table below sets out details of the original CIL charging schedule rates and the new indexed rates.

## Mayor of London's CIL

The Mayor of London CIL (MCIL) took effect on 1 April 2012 (MCIL 1) with further amendments introduced and adopted on 1 April 2019 (MCIL 2). LBBB is a 'collecting authority' on behalf of the Mayor of London as guided by Regulation 14 of the Community Infrastructure Levy 2010 (as amended). Both MCIL 1 & 2 applies to all applications granted planning permission except where otherwise stated.
